Denplan monthly plans

Monthly payments are additional to any treatment charges shown in this guide.

Denplan Care

Care band	Per month
Band A	£26.12
Band B	£35.15
Band C	£41.43
Band D	£51.17
Band E	£57.45

A monthly plan for preventive care and eligible clinically necessary treatment under your contract. It can include examinations, hygiene care, routine x-rays, fillings and certain restorative treatment.

Denplan Care patients pay a reduced additional charge for eligible treatments such as crowns, bridges and dentures. For example, an all-ceramic crown costs £650 privately, while the Denplan Care charge is typically £200-£250 per unit. These charges cover laboratory work, clinical time and materials.

Eligible root canal treatment is included at NJS Dental. Cosmetic treatment is charged privately; other exclusions apply under your contract.

Any outstanding treatment needs to be completed before you join Care.

Your dentist assesses the appropriate Care band.

Denplan Essentials

Plan	Per month
Essentials	£22.10

Includes two examinations and two scale and polish appointments each year, with necessary small and panoramic x-rays. The two cleaning appointments may be with the dentist or hygienist: this is one shared annual allowance of two cleans.

Includes one emergency appointment per year for assessment and emergency treatment. Other eligible treatment is charged separately, with 15% off the listed private fees.

Monthly payments are additional to treatment charges shown below.

Denplan for Children

Age band	Per month
Ages 6-12	£7.62
Ages 12-18	£16.15

A plan to help your child attend regularly and build good oral health habits.

The monthly price, visit frequency and included treatment are set by the practice and described in your child's contract.

Reception will explain the appropriate age band and your child's plan benefits.

Snoring appliances are charged at the full private fee under both Care and Essentials. The Essentials discount does not apply.

Denplan Care additional fees

Additional charges for laboratory work, clinical time and materials. These charges are additional to monthly payments; cosmetic treatment is excluded.

Treatment / appliance	Care patient charge
Crowns / bridges / eligible veneers (per unit)	£200-£250
Acrylic dentures	£400
